FINO COBOS

GRAPE VARIETY

Pedro Ximénez.

TERROIR

The grapes used to produce this wine are from estates located in the Sierra de Montilla, grown on fields of white and golden earth. This type of earth is high in calcium carbonate and its characteristics produce the best generoso wines.

AGEING SYSTEM

This wine is aged using criadera and solera American oak casks as part of the biological ageing system. casks from the upper rows with the older wine in the solera casks on the bottom row near the floor. Average age of 3 years.

TASTING NOTES

Light yellow in colour with greenish shimmers. Brilliant. Unique leesy aromas due to long ageing process under a cap of flor yeast. Dry, sharp and slightly bitter flavour.

PAIRING

Excellent paired with hors d'oeuvres, cured meat, Iberian ham, seafood, and starters such as consommés or white meat.

3 PASAS

GRAPE VARIETY

Pedro Ximénez.

TERROIR

A wine made with grapes from estates located in areas that, given their edaphic characteristics, favour the grape's rapid ripening on the vine before they are harvested by hand.

AGEING SYSTEM

Average aging time of 5 years.

TASTING NOTES

Sweet wine with a dark amber colour. Aromas of raisins, honey, ripe fruit and sweet spices. Full, complex flavour with a finish reminiscent of fresh raisins, embraced in complex woody aromas.

PAIRING

Pairs well with mature or curado cheeses. Unique dessert wine that can be served with ice. It pairs perfectly with ice cream, sweets and desserts, especially chocolate.

NAVISA

VALPINA

Gold Medal | 12th Edition of the Verema Varietal Wine Competition | Vintage 2023.

GRAPE VARIETY

Syrah.

TERROIR

This wine is made with Syrah grapes from vines grown on the Morales estate in the municipality of Cabra, in the heart of the Sierra de Montilla and close to the Sierras Subbéticas, grown at an altitude of 460 meters on calcareous soils.

AGEING SYSTEM

In early September, when the optimal point of phenolic and technological ripeness is reached, the bunches are harvested and incubated in stainless steel tanks, where after several days of cold maceration, they ferment at a maximum temperature of 26°C. After malolactic fermentation, the wine is aged for 6 months in French oak barrels and then rested for 6 months in bottle racks.

TASTING NOTES

Intense cherry red with light cardinal points. Predominantly ripe fruit, currant, raspberry, and balsamic notes. Aromas of toast, spices, and hints of vanilla. Varietal character. Powerful, broad, and round on the palate. Unique, flavourful, and balanced.

PAIRING

Cured meats, red meats, large game, roasts, cured cheeses, and blue fish. Serving temperature 16-18°C.

PACKAGING INFORMATION

Bottle of 75 cl. 6 units per case.

PUENTE VIEJO COSECHA

GRAPE VARIETY

Tempranillo.

TERROIR

Grapes from Rioja PDO. Certified red wine, bottled at vineyard.

AGEING SYSTEM

This wine undergoes 4 months resting in bottles before it is marketed.

TASTING NOTES

Cherry-red in colour with hints of blue. Its aroma represents a good fruit concentration with forest fruit notes (blackberry, raspberry and cranberry). Flavoursome, pleasant and well-balanced mouth-feel.

PAIRING

It pairs perfectly with red meat, cured meat and any type of cheese, but especially soft and mild cheeses.

PACKAGING INFORMATION

Bottle of 75 cl. 6 units per case.
